	Phone	+61 2 9904 7182
	Fax	+61 2 9410 0666
	Email	soriadmin@sori.com.au
	Website	http://www.sori.org.au/
Length	12 months	
Stipend	\$60,000 per annum	
Institutions	• Sydney Orthopaedic Research Institute • Royal North Shore Hospital • North Shore Private Hospital • Mater Hospital • Royal Prince Alfred Hospital • Dubbo Base Hospital	
Educational goals and characteristics	The Fellowship will provide a broad experience covering all areas of knee surgery, with a balance between clinical work and research. The Fellow will have extensive exposure to all areas of knee surgery including arthroplasty, arthroscopy and sports reconstructive surgery, and trauma including major ligamentous disruptions and periarticular fractures. Fellows will be occupied in perioperative patient care, assisting with and performing supervised surgery, and pursuing research projects. Fellows will be actively involved in regular clinical and scientific meetings, and will be expected to produce at least one research project suitable for presentation at an international meeting and subsequent publication. Fellows will also be involved in teaching of junior medical staff and other health professionals. The weekly schedule will usually involve on average two days in the operating theatre, two days reviewing patients in clinics, and one day pursuing research projects.	

Requirements/ criteria	1. FRACS or equivalent international qualification 2. Detailed, current curriculum vitae, outlining training, qualifications and experience 3. Certified copies of undergraduate and postgraduate qualifications 4. An outline of the proposed course of postgraduate study and the candidate's intended career plan following completion of the hospital's program in Australia 5. Information on any previous training undertaken in Australia, New Zealand or outside the applicant's home country 6. Two written references: - The appropriate referees are senior colleagues who have worked with the applicant within the last two years - Referees are requested to report on the trainee's current professional standard and capability and to consider the appropriateness and usefulness of the proposed program to the trainee's home country
How to Apply	Please forward your Curriculum Vitae and 2 written references from previous or current supervisors to soriadmin@sori.com.au
