Chief supervisor	Andrew Shimmin, MBBS, FRACS, FAOrthA	
Supervisors	- Jonathan Bare, MBBS, FRACS(Ortho) - David Young, MBBS, FRACS(Ortho)	
Contact details	Address	Melbourne Orthopaedic Group 33 The Avenue Windsor VIC 3181
	Phone	+61 3 9525 1366
	Fax	+61 3 9533 7520
	Email	info@andrewshimmin.com.au
	Website	www.andrewshimmin.com.au
Length	6 months, starting in January/February or July/August	
Stipend	AU\$45,000 for full six months	
Institutions	- The Avenue Hospital - Glenferrie Private Hospital	
Educational goals and characteristics	The fellowship encompasses all aspects of clinical involvement in hip and knee arthroplasty (primary and revision) management as well as hip preservation procedures, knee sports medical reconstruction work, and arthroscopic hip and knee procedures in a busy eleven-member group practice, including assessment of new patients, surgical treatment at assistant level (with level of responsibility dependent on the proficiency demonstrated), post-operative care and rehabilitation. The fellow's specific interest will dictate his clinical involvement. The successful candidate is required to complete two research projects to level of final draft during the tenure of the fellowship. The supervisor of the research project rotates within the subspecialty group, and will depend on the subspecialty interest of the fellow and the supervisor.	
Requirements/ criteria	The applicant must: - be eligible for registration with the Australian Health Practitioner Regulation Agency - have English language IELTS pass of 7 in all four components - have completed or be due to complete their training in orthopaedic surgery - have evidence of research experience, including evidence of relevant published research	

	• provide medical practice indemnity insurance and health insurance for family while in Australia • be eligible to obtain a 407 Training Visa
How to Apply	Applications to be submitted with: • names of three referees with whom the candidate has worked • detailed current curriculum vitae • preference for proposed starting dates (January/February or July/ August of any year) • areas of interest (clinical and research). Appointments are generally made between six and twelve months in advance. Applications to be emailed to Lisa Wheeler CEO, at lwheeler@mog.com.au
