

FIONA STANLEY PROSTHETIC JOINT INFECTION & REVISION ARTHROPLASTY FELLOWSHIP (WA21863)

Chief Supervisor: A/Prof Christopher Jones - MBBS, FRACS (Ortho), FAOrthA

Co-supervisors: Professor Piers Yates - MBBS(Hons), BSc(Hons), MRCS(Eng), FRCS(Tr & Orth), FRACS(Ortho), FAOrthA

Dr Simon Wall - BSc, MBBS, FRCS Eng (Tr & Orth), FRACS (Ortho)

Dr Thomas Bucher - MBBS, MSc, FRCS (Tr&Orth), FRACS, FAOrthA

A/Prof Gareth Prosser - MBChB MRCS, Fellow of the AOA, FRCS(Orth), FRACS (Orth)

Length of program: 6 Months

Institutions:

- Fiona Stanley Hospital
- Fremantle Hospital
- St John of God Private Hospital – Murdoch

Stipend:

Base salary of \$70,000 with paid leave, 9% superannuation and trauma on-call rate & penalties.

There are further remuneration opportunities through private assisting.

Educational Goals:

- Gain high volume technical experience in performing Revision Arthroplasty, under appropriate supervision, for complex periprosthetic fractures and prosthetic joint infection
- Coordinate the clinical activities of the Musculoskeletal Infection Team (MINT), including the weekly multidisciplinary team (MDT) clinic and the fortnightly MDT Case Conference.
- Undertake basic science and clinical research projects involving periprosthetic fracture and prosthetic joint infection
- Prepare research results for dissemination through peer reviewed publication and national/international presentation

Requirements:

This Fellowship is suitable for an Orthopaedic surgeon who has completed training and has already completed a minimum 6-month fellowship in Primary Arthroplasty. This level of experience and training has proven to allow our fellows to publish high standard peer reviewed articles.

- Enthusiastic, Talented and Motivated Junior Orthopaedic Surgeon with solid base knowledge of Arthroplasty (Primary & Revision)
- Commitment to and interest in Orthopaedic Research with a willingness to learn complex procedures and achieve surgical independence
- Eligible for Medical Board of Australia Registration
- Completion of Orthopaedic Training/FRACS equivalent in Home Country
- Meets AHPRA English proficiency requirements

How to Apply:

More information - [AOA Fiona Stanley Prosthetic Joint Infection & Revision Arthroplasty Fellowship \(orfw.com.au\)](http://orfw.com.au)

Please address your application to Principal Supervisor, A/Prof Chris Jones and submit to OrthopaedicFellowshipsWA@health.wa.gov.au

Required Documents:

- A cover letter outlining your interest, why you are suitable for this Fellowship & for which period you are applying.
- A current and updated CV.
- Two (2) written letters of reference.
