

Arthroplasty, Foot & Ankle Surgery, Osseointegration & Limb Reconstruction Fellowship (NSW21769)

Chief Supervisor: Dr Mustafa Alttahir

Co-supervisors:

Length of program: 6 - 12 Months

Institutions:

- Macquarie University Hospital
- Campbelltown Private Hospital
- Norwest Private Hospital
- East Sydney Private Hospital

Stipend: \$85,000 AUD per annum **plus on call/after-hours assisting**

Educational Goals:

The primary objective is to provide extensive clinical experience in both the non-operative and operative management of complex lower limb deformity correction and reconstruction. The Fellow will have the opportunity to be directly involved in the initial assessment of these disorders as well as their management, both surgical and non-surgical and the ongoing care of these patients. The Fellow will also have exposure in the assessment and treatment of injuries and trauma that present to fracture clinic.

An opportunity for direct involvement in our Multi-Disciplinary Complex Limb Reconstruction Clinic utilising the collaboration of multiple specialists in order to provide innovative and complex surgical options.

The fellow will have direct exposure and involvement in the preoperative planning, design and utilisation of 3D printed patient specific instruments to allow precision and accuracy in complex limb deformity correction and reconstruction.

This experience will take place in a supervised environment to optimise the potential for learning and is associated with preparation of clinical research for presentation and publication.

Educational Qualifications/Requirements:

Applicants must have either completed their orthopaedic training (FRACS or equivalent, MS / DNB, American Board or equivalent) or must be in the final year of their training. All candidates must have completed the IELTS Academic English language test (or equivalent) with a minimum score of 7 in every section (www.ielts.org). This is a strict criterion for registration with the Medical Board of Australia. Graduates from universities in the USA, Canada, UK, NZ and Australia are exempt.

How to apply:

Applications must include a detailed CV and three references which can be emailed to pm@sydneyadvanced.com.au

Please email at pm@sydneyadvanced.com.au and provide a copy of your CV to receive for information on availability.
