	Email	david@ballaratorthopaedics.com.au
	Website	http://www.ballaratorthopaedics.com.au/
Length	12 months	
Stipend	AU\$100,000 + executive furnished accommodation provided	
Institutions	<ul style="list-style-type: none"> • Ballarat Orthopaedics • St John of God Hospital • Ballarat Base Hospital 	
Educational goals and characteristics	<p>The fellowship is aimed at achieving optimal outcomes in elective lower limb surgery. Local anaesthetic infiltration techniques are taught to achieve early post-operative mobilisation, achieving a reduction in postoperative complications and length of stay.</p> <p>A VMO appointment at the public hospital may also be available. This would typically involve two public operating lists a week, an outpatient session and up to 77 days on call per year.</p> <p>Research projects are generally started already; our focus is on getting our fellows to complete their research project whilst with us.</p>	
Requirements/ criteria	<p>FRACS(Orth) and full medical registration in Australia</p> <p>Interview</p> <p>Clear intention to leave Ballarat at the completion of the fellowship. It would be permissible to return after a minimum of twelve months, with some negotiation.</p>	
How to Apply	<p>Contact David Mitchell Ballarat Orthopaedics 707 Mair Street Ballarat VIC 3350</p> <p>Please provide: resumé, current photo, two referees.</p>
