	Website	http://www.almuderis.com.au/ http://www.osseointegrationaustralia.com.au/
Length	12 months	
Stipend	AU\$85,000	
Institutions	• The Sydney Adventist Hospital • Norwest Private Hospital • Hurstville Private Hospital	
Educational goals and characteristics	To provide extensive training to recent orthopaedic graduates in the diagnosis and management pertaining to Hip & Knee Arthroplasty and Arthroscopy and the specialised osseointegration for above knee amputees. The Fellow will have the opportunity to be directly involved in the initial assessment of these disorders as well as their management, both surgical and non surgical and the ongoing care of these patients. Arthroplasty of the knee is computer navigated and Hip Arthroplasty is the minimal invasive anterior approach. This experience will take place in a supervised environment to optimize the potential for learning and is associated with preparation of clinical research for presentation and publication.	
Requirements/ criteria	• Medical degree recognised by the Medical Board of Australia • Previous experience in Orthopaedic treatment of conditions, surgery, joint replacements, treatment and management of arthritis conditions • A recent original or a certified copy of the International English Language Testing System (IELTS) certificate (academic module only) or approved equivalent (completed within 2 years of presentation). A minimum individual band score of 7 must be obtained for IELTS (less than 2 years old) • Certificate of Good Standing with Medical Board you currently hold registration with • Demonstrated sound, effective communication skills with patients, medical	

	and surgical colleagues and other staff • Proven satisfactory clinical performance supported by submissions of two current referees
How to apply	Claudia Roberts Suite G3B, Norwest Private Hospital 9 Norbrik Drive, Bella Vista, NSW 2153 or via email: claudia@almuderis.com.au
