	Website	
Length	12 Months	
Stipend	\$70,000 per annum (Please note this is subject to change. Please discuss further on application)	
Institutions	Prince of Wales Private Hospital, Strathfield Private Hospital	
Educational goals and characteristics	The fellowship will be in the Eastern suburbs of Sydney, close to many popular locations such as Bondi Beach and Coogee Beach. The purpose of the Sydney Children's Hospital Orthopaedic Fellowship is to provide specialist training in Paediatric Orthopaedic Surgery to orthopaedic surgeons wishing to sub-specialise. Depending on the level of experience on entry to the Fellowship program, it is anticipated that the Paediatric Orthopaedic Fellow (on completion of 12 months training) would be proficient in the acute surgical management of paediatric trauma, paediatric hip conditions, foot and ankle, cerebral palsy, reconstruction, paediatric upper limb and paediatric sport knee conditions. There will be some exposure to paediatric spine during the 12 months of fellowship.	
Requirements/ criteria	<p>The applicant must:</p> <ul style="list-style-type: none"> - Be eligible for registration with the Medical Board of Australia (AHPRA) - Have the appropriate level of postgraduate orthopaedic training - Have demonstrated a high standard of clinical practice - Have demonstrated professional integrity - Have demonstrated the ability to work in a multidisciplinary team environment - Have demonstrated commitment to quality improvement - Have demonstrated ability to be adaptable to change - Have the clinical experience appropriate to the year of training - Have experience in scientific and clinical research - Know appropriate clinical standards - Know policies, protocols and procedures to ensure acceptable practices - Know general orthopaedic surgical techniques - Have evidence of research experience, including evidence of relevant published research
