|  | <b>Email</b>  | <a href="mailto:Rebecca.Bakous@health.nsw.gov.au">Rebecca.Bakous@health.nsw.gov.au</a> |
| <b>Length</b>                                | <p>One year (negotiable)</p> <p>Start date: 1<sup>st</sup> August – 31<sup>st</sup> July</p>  |  |
| <b>Stipend</b>                               | Approximately AU\$216,339 per annum   |  |
| <b>Institutions</b>                          | Royal Prince Alfred Hospital, Sydney  |  |
| <b>Educational goals and characteristics</b> | <p>Royal Prince Alfred acts as a tertiary referral centre for primary and revision arthroplasty. The fellow will be involved in all aspects of care, with supervision through phases of investigation and treatment. There will also be extensive exposure to joint replacement in a unit doing over 800 joint replacements per year</p> <p>Exposure of Orthopaedic Oncology, with a focus on arthroplasty management forms a significant proportion of the fellowship. The fellow will attend regular multi-disciplinary team meetings.</p> <p>The appointee will be expected to participate in trauma management at senior registrar/resident level. This will involve on-call duties. Royal Prince Alfred Hospital is designated as a level three trauma centre and accepts a large number of multisystem trauma cases from country areas.</p> |  |
| <b>Requirements/ criteria</b>                | <p>Candidates for this position should have successfully completed a recognised four-year training programme, which has included a significant trauma surgery component, and either holds a Fellowship (FRACS or equivalent) in orthopaedic surgery, or be recognised as 'boards eligible'. Previous experience in tumour management is not essential but the primary object of this fellowship is to provide a sound introduction to all aspects of musculoskeletal oncology.</p>  |  |
| <b>How to Apply</b>                          | <p>Applications to be received 18 months ahead of time – cut-off date of 31<sup>st</sup> December – 18 months before fellowship to commence.</p> <p>Applications, to include a detailed curriculum vitae and the names of three referees with whom the applicant has worked.</p>  |  |
