ABOUT THE FORUM

The inaugural AOA National Joint Replacement Registry (AOANJRR) Education Forum will feature deep discussions led by every member of the Registry Clinical Director Team, covering everything from how the Registry works, to how it connects with the broader health sector, to what's in store for the coming years. Join the clinical directors, AOA President Scott Fletcher, key personnel from the MBS and the device sector, and fellow members for a packed one-day program of education, discussion and new connections.
